## Parker Kart, TH7-4

---

**Pictured above is a complete on-site hose assembly workstation, the Safety Step Kart:**

The **Parker Kart, TH7-4**, is a portable all-in-one unit designed to hold a Minikrimp, Karrykrimp, Karrykrimp 2, or Parkrimp 1; a 332T-115V Cut-off Saw; 4 reels of hose; and has a 40 bin cabinet (both sides) with 3 drawers for tools. The **TH7-4** can be customized to fit your specific hose assembly needs.

**Note: Part number TH7-4 does not include hose, fittings, or equipment**
